

Menu Board Layout Request Form

Step 1: Fill out the form below as completely as possible. All *d fields are required
Step 2: Submit the layout with your complete menu, logo & graphics (as applicable) as follows:

Email to: info@mainstreetmenus.com OR Fax to 262-782-6515

*There is no obligation or charge for the design (although art charges may apply to purchase price).
 The first design will be sent to you via email in about 3-5 business days. Menu boards ship within 10-15 business days from when we receive signed design approval and purchase order or pre-payment. The entire process from design to receipt averages 4-6 weeks.*

Outdoor Products

1. Requested/Estimated Delivery Date? * _____ (if different than indoor board)
2. Space available? * Width: _____ Height: _____ Depth: (if applicable) _____
3. How would you like to mount the drive-thru board? * Freestanding Wall Mount
4. What color menu board would you like? * Black Beige White Red Blue Silver Copper
5. Would you prefer the communication: * within a remote speaker post within the menu board N/A
Note: If there is room, a remote speaker post is generally recommended by communication experts for optimal communication
6. If you have selected a remote speaker post, do you also need the speaker & microphone hardware for it? Yes No
Note: If you are purchasing a communication system such as HME, 3M Sound, Quail Digital, they often already include this hardware, so be sure to check before purchasing from Mainstreet. All speaker & microphone brands will fit within out speaker post. The in-board communication option automatically comes with our speaker & microphone since no others will fit.
7. Are you all set with a communication system? Yes No
8. Do you need a magnetic detection device or "loop" Yes No If yes, which kind? Pre-formed Saw Cut
Note: A Pre-formed loop is used when concrete/pavement is not yet poured. If it's there already, a saw cut loop is needed.
